Significant Activity in Audubon Park

We had a large increase in burglar alarms in May, but thankfully all were false.

Two of the offense reports were the recovery of a stolen motorcycle and a stolen plate. Both of those were stolen from other jurisdictions and recovered on Preston.

On May 31, 2024, a person went through the backyards of several homes to steal items and remain undetected from the roadway. The person would stack the items usually in a neighbor's yard. He then came back around 3:45 am in a vehicle, quickly loaded the items, and left the neighborhood. This resulted in four theft reports. Based on the investigation, this is a serial thief and burglar who has targeted numerous neighborhoods all around Louisville recently. We have good electronic evidence of the suspect and the vehicle. Det. Neal is investigating the case.

There was an increase in parking warnings due to a large event at the Audubon Country Club.
